visual art page
~~design~~ maybe? @

index —

pack the
ideas:

- #BS9DA4
- #D7DOC1
- #537DD0
- #D74E09
- #291F1E

* 6, maybe 7
pages in total,
each project having
its own page

(Besides viral
art / photography
page?)

gray scale plus
- #262626 ("carib boy")
- #F2F1F0 ("white smoke")

accent
color!
("rusty spice")

Brown &
yellow?

①

color palette explanations:

- black & white to let projects stand out, use orange as accent color for links, hover effects, etc.

orange psychology = energetic, enthusiastic, optimistic, creative

projects showcased will change / evolve often.

- book jacket
- energy drink label
- funky finds campaign
- rock khan poster
- VCT prototyping lab mockup
